1. In Section 00650—Certificate of Insurance, 2F -Property Insurance, the deductible is listed at \$500. Can the Insurance/Risk Department change or eliminate that requirement?

Response: The City has agreed to change the verbiage to read “Property Insurance to the full value of completed work. The deductible for any claim shall be paid by Contractor at no expense to Owner.”

2. The plans show a Filter Control Panel, Chemical Skid Control Panel, Fiber Patch Panel(s), Mini Power Zone Panel, and a Network Communications Panel. However, the spec only seems to reference the filter control panel and the chemical skid control panel in detail. Is the scope for the panel shop to provide all of the above-listed panels? Can you provide a bill of materials?

Response: Yes, the scope is for the panel shop to provide all panels shown on the plans. We do not have a bill of materials.
