No. 2024-24**

**CR 501 WTP IRON FILTER IMPROVEMENTS
ADDENDUM NO. 6**

DATE: June 19, 2024

Project Number: 142173320

This addendum forms a part of the Specifications and modifies the original Document as noted. Acknowledge receipt of this Addendum in the appropriate portion of Section 00300 with the submitted bid. Failure to do so may subject the proposer to disqualification.

1. Of the 3 instrumentation suppliers provided by the Spec, two have declined to bid, and Star Controls, the only one willing to bid, said they need more time to put a quote together. Would the City consider a time extension for this bid so we can get specified I&C people to provide pricing?

Response: The bid will be extended. Bids must be submitted by July 10, 2024, at 2pm.
